

5	<p><u>Bridleway Repairs:</u> Discussions with SCC about making the road surface on the lower half of Johns Road more horse friendly resulted in SCC Subcontractors laying a wide strip of tarmac covered with a layer of grit. This was paid for by SCC, who will also pay for any repairs to it.</p>	
6	<p><u>Greenery Pruning opposite Limetree Mews:</u> It was agreed that this work will be carried out before the birds start nesting. Again, please let us know if you can help.</p>	<p>Residents, Comm</p>
7	<p><u>JRRA Website:</u> Discussions had taken place regarding the possibility of updating the website. However, it was decided to keep it as it is for the time being and revisit discussions before the Domain Name and Hosting Facilities are due for renewal in January 2027. The Invoice of £40 for January 2026 has been paid and Trevor Sykes has agreed to continue adding Minutes etc to the website.</p>	<p>Comm.</p>
8	<p><u>Woodland adjacent to lower road:</u> We had asked SCC for advice on getting the trees pruned in the woodland abutting the lower part of Johns Rd, as previous requests to the owners had failed. We will chase SCC.</p>	<p>LB</p>
9	<p><u>New Committee members:</u> Our JRRA Committee dropped by three members last year. Nick has offered to be Acting Chairman for the time being and we have now welcomed Alex onto the Committee.</p> <p>Having only four members on the Committee is not a viable proposition and since its inception in 2016 the Committee has comprised of 6 members. Therefore, we would like to welcome some new members onto the Committee and if you would like to join us please either reply to the e-mail address at the top of these Minutes, or speak to a member of the Committee above.</p>	<p>Residents</p>

10	<p><u>Annual General Meeting:</u> All residents are invited to join us at our AGM being held on Tuesday, 14th April, 2026, at 8pm in the W.I. Hall, Paynesfield Road. Over the past few years we have welcomed 9 new households to the JRRRA and this occasion is a good opportunity to meet up. Please let Linda know by the end of March if you will be joining us.</p>	Residents
11	<p><u>Any Other Business:</u></p> <p>a. Speeding: It would be appreciated by the majority of residents if drivers could please stick to 5mph along Johns Road. We now have several young children and pets living in the road, along with several older residents, all of whom would find it difficult to leap out of the way of speeding vehicles. Johns Road is also a Public Footpath and Bridleway and is regularly used by Tatsfield residents. If you have new drivers in your household please ask them to drive safely up and down the road.</p>	Residents

	Meeting ended 9.30pm.	

If you would like Minutes, Neighbourhood Watch, and other Johns Road information sent via e-mail, and you have not yet given us your e-mail address, please let us know. Don't forget you can always check on previous Minutes and associated documents on the JRRRA website - either on the Home Page for recent meeting Minutes or on the Meeting Minutes page for historical ones.

As we now have residents with young children, residents with infirmities, and an increase in dog walkers using our road, if anyone sees a vehicle using the road dangerously or inconsiderately please let us know the name of the Company, registration no., date and time, and we will contact the Company concerned.
